RGPC ENVIRONMENTAL POLICY STATEMENT	Rev.: 06	Date: March 2022

RGPC ENVIRONMENTAL POLICY STATEMENT

Ras Girtas Power Company, Independent Water and Power Plant (IWPP), located in Ras Laffan Industrial City, Qatar is committed to environmental protection and betterment. As a part of this commitment we focus our efforts on the below key principles.

1. RGPC is committed to establish, implement and maintain an environmental management system which is appropriate to achieve our goals.
2. All activities will be reviewed to assess environmental impact, taking into consideration the associated risks and opportunities, and it is the endeavor of the company to minimize those impacts.
3. Environmental objectives are set up and monitored to demonstrate that the company cares for the environment.
4. The company works diligently to prevent pollution and protect the environment.
5. The company is committed to fulfilling all its compliance obligations.
6. The company will strive for continual improvement in its environmental performance.
7. The company will work on Sustainable Development in line with Qatar's vision and policy.

This Policy will be reviewed in light of change in law or other material issues and updated to address them.
